

Construction Activity in the Work Zone

While every project is unique, they share many similarities. We have provided examples of Construction Activity in the Work Zone you may see over the course of the project.

Coffee with the Crew

Join us at one of our monthly "Coffee with the Crew" public meetings. We distribute notices to all merchants, rotate and give patronage to corridor restaurants, serve coffee and pastries, view plans and ask questions.

Hosted monthly by Burkhardt Construction
Location will vary.

Hollywood Boulevard Streetscape

From 21st Ave. to Young Circle

What to Expect During Construction

During construction we keep the public safe and maintain access to businesses and residents along the project corridor. We have illustrated some of the activities below.

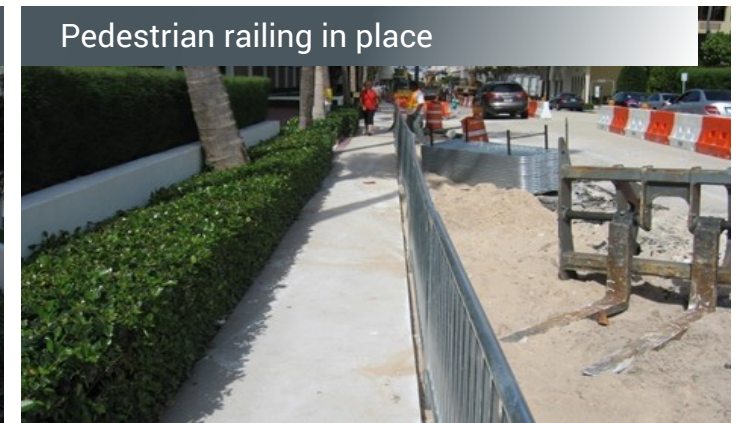

Barrier wall in place

Layout for sidewalk saw cut

Sidewalk removal

Pedestrian railing in place

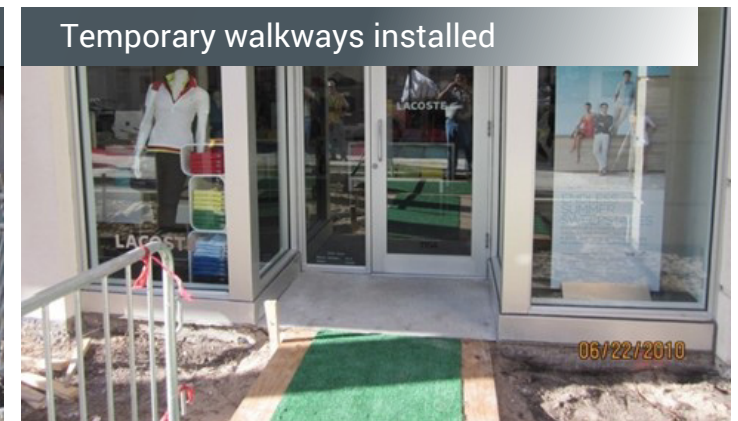

Pedestrian railing with windscreen jacket

Pedestrian access in the work zone

Temporary walkways ready to install

Temporary walkways installed
